Dear Friends and Families of St. Helen Catholic School:

*Dust off your hat and pull on your dancin' boots for the SHCS Hoedown!* Last year's event was such a wonderful success thanks to the generous support from SHCS families and friends like you. It's time to round up our sponsors for this year's **"Boots n' Bling Hoedown"** on **September 14, 2019 at 6:00pm.**

Your commitment to sponsor this event will make certain that St. Helen Catholic School, a 501(c) (3) charitable organization, continues to serve the educational and spiritual needs of our students. Tuition covers just a portion of the school's annual expenses, and fundraisers are a means to ensure that our academic programs and school facilities continue to improve. These funds have an immediate and positive impact on our students and faculty. The school not only aspires to provide excellent curriculum and instruction, but also aims to offer an affordable Catholic school education to our families. Your support will help tremendously.

Enclosed, you will find a description of the **Sponsorship Opportunities** and a **Purchase Form**. As St. Helen Catholic School continues to grow and change, it remains committed to providing a quality Catholic based education. Your support will not only help the school reach its current financial goals, but will also ensure that St. Helen Catholic School will succeed for future generations.

Thank you for your time and consideration.

Warmest Regards,

*Sue Ellen Fromang*

### RULES

1. Each team (2 players per team) must register and pay a \$30 entry fee. All players must purchase an event ticket in order to attend.
2. First toss is at 6:15pm sharp. "No-shows" will forfeit the game.
3. Play "Paper, Rock, Scissors" to determine which team tosses first.
4. Line up: Each team has one player stand beside each board, opposite each other.
5. Each team takes alternating turns tossing one bag at a time toward the opposite board. 4 bags per team.
6. Keep score: 1 point for each bag on the board and 3 points for each bag in the hole after all 8 bags have been tossed. The team with the most points, wins the round. Subtract the losing team's points from the winning team's points, and award the difference to the winner. Winning team gets first toss in next round.  
*ie. If Team A counts 5 points and Team B counts 2 after all bags have been thrown, then Team A wins the round and is awarded 3 points.*
7. Begin the next round and continue to play adding points from each round. First team to 21 points or the highest score at the end of the time limit wins the game and will move on in the tournament.
