

ST. HELEN YOUTH ON A MISSION

Come join us in Marsh Harbour, Bahamas to help with the rebuilding and maintenance of Every Child Counts, a school for special needs children. It is the only special needs school serving several islands. It is partially supported by Catholic charities. This will be our 19th visit and each year we find more things that we can do to help be part of the community there. This is a great opportunity to help the handicapped and experience the Bahamian culture.
