Memorandum to All Pastors

Dear Monsignors/Fathers,

Recently, questions have arisen regarding Parish Summer Camp Programs and whether they would be allowed under the Diocesan Covid-19 restrictions.

This is to advise that the Diocese supports Summer Camp Programs and they are permitted at Pastor's discretion subject to the following guidelines;

1. Smaller groups (call if you need an opinion on "small")
2. Parents/Guardians must sign a Covid-19 waiver. (attached, and can be modified)
3. A visual health screen and temperature check taken at morning drop-off.
4. Increased sanitization, social distancing and face masks (required).
5. Designated counselors for the duration of camp.
6. Fewer off-site field trips.
7. Parents/Guardians and visitors will not be allowed into facility.

All other Diocesan protocols with regard to Covid-19 remain in effect until further notice.

Blessings in Christ,

A handwritten signature in dark ink, reading "Fr. Albert A. Dello Russo".
