

BOYCOTT OF TARGET STORES

It is my intention to boycott Target stores and online shopping because they promote transgenderism by offering a clothing line for children with binders and packing underwear for girls, as well as Satanic, pro LGBTQ, and pro-abortion items for adults and children.

Examples are as follows:

- A pin with the words "Satan respects pronouns"
- A bag with the words "Too queer for here"
- A sweatshirt with the words "Cure Transphobia, Not Trans People"
- A pin with the words "Trans Witches for Abortion"
